And in him you too are being built together to become a dwelling in which God lives by his Spirit – Ephesians 2:19-22

Apostle Build 2021: The Cottages at Ridgeview

This year, the 2021 Apostle Build will support an entire neighborhood. The Cottages at Ridgeview marks Habitat Catawba Valley's first-ever Neighborhood Revitalization project - a return to building new homes in older existing neighborhoods combined with critical repairs to keep current residents safe, warm, and dry.

The Cottages at Ridgeview replace old, abandoned houses with new, energy efficient homes in their place. Through our traditional Habitat Homeownership program of sweat equity, financial education, and a zero-profit mortgage, The Cottages at Ridgeview offer families a pathway to affordable homeownership. Additionally, the Cottages at Ridgeview make homes available on the open market to families who can afford a traditional bank mortgage, but can't afford the average housing cost in our community. Finally, The Cottages at Ridgeview also provide critical repairs to existing homes in the neighborhood. Through this combination of services, Habitat leverages our impact community wide, not just family by family.

We know that housing isn't a one size fits all solution. By replacing, repairing, and revitalizing homes within an established neighborhood, more families have an opportunity to build a future that fits their goals. When families thrive, our whole community thrives as well.

The Cottages at Ridgeview

7 new homes.
30 critical repairs.
12 churches.

Apostle Build Mission:

The Apostle Build is a collaboration of local churches united in service, prayer, and fellowship to build strength, stability, and self-reliance through shelter. We know that strong and stable homes build strong and stable communities. We are called to love our neighbors as ourselves. And we believe that with a little help, everyone has the potential to stand on their own. The Apostle Build unites churches throughout Catawba County to put their faith into action by sponsoring and building a Habitat home with a neighbor in need. Together, these churches create a foundation upon which a family can build their future.
