building  
homes  
communities  
and hope

## seeking to put God's love into action,

Habitat Catawba Valley  
brings people together to  
build homes, communities,  
and hope

A Habitat home is more than just a permanent address: it's a doorway to a stronger, more secure future. Better, more affordable living conditions lead to improved health, stronger childhood development, and the ability - and financial flexibility to make forward-looking decisions.

Habitat Catawba Valley partners with low-income neighbors across our community to build new homes, repair existing houses, revitalize neighborhoods, and provide the financial education families need to improve their living situations.

**Your partnership provides a family the tools they need to build a brighter future.**
